

## **2nd National Oblates Retreat**

The second National Oblates Retreat was held at Buckfast Abbey 27-29 February 2012. Srs Miriam and Judith, from Turvey Abbey, led the weekend, and they had been pleased to work with the Oblates. Those attending agreed that it was a big success and a community dynamic was quickly and easily established, opening a forum for Oblates from different Abbeys to share a spiritually nourishing and rewarding experience which, in turn, would be fed back into local communities.
